Details

This natural barbecue sauce is made with kombucha and has a robust, tangy, slightly sweet flavor. This barbecue sauce is best used as a dipping sauce for your favorite type of protein, but also works great as a marinade. The kombucha vinegar makes the flavor truly unique. Serving creative, curious flavors, one scoby at a time. Made with kombucha! Gluten free, no MSG, no high fructose corn syrup. Shake well before using and refrigerate after opening.
