## Product Attributes

**O** = **Organic**

If you see this symbol, the product is certified organic by any of the nationally recognized certifications.

**GM** = **GMO Free**

This tag is only applied to products that have been verified by the Non-GMO Project or are certified organic.

**R** = **Regionally Sourced**

This designation means the product is manufactured in the the following states: NY, CT, NH, PA, MA, ME, VT.

**K** = **Kosher**

A Kosher certified product. Please inquire with your sales rep if you need a particular certification.

**GF** = **Gluten Free**

Please note that this is reserved for manufacturers who have passed a third party audit to get their product certified. There are many items free of gluten containing ingredients that will not have this badge.

**SO** = **Special Order**

This is not a stock item and occasionally requires additional lead time to bring in for you.

## Product Listings

**Product ID**

Please use this code when you place your order via email, fax, or phone.

**Description**

The product description. Items that are priced by the pound are designated by a **\$/#** symbol.

**Size**

Case size. If an item is sold by weight the product description will indicate an estimated size, **~8#**.

**List Price**

**For a catalog with pricing, please contact your sales rep.**
